PUTTING YOU FIRST

We are extremely pleased to introduce our new OSSTF Benefits Plan. It's a plan tailor-made for eligible OSSTF members and one that provides you and your family with valuable financial protection.

Full plan details, including who can participate, enrolment deadlines, eligible expenses, exclusions, how to make claims, and payroll deductions, are available on OTIP's secure member website once you have enrolled.

The benefit year starts September 1 and ends on August 31, except where otherwise indicated. The plan has no overall deductibles or waiting periods. Certain restrictions, limitations and exclusions will apply. In the event of your death before retirement, family members continue health and dental coverage at no charge for 24 months.

The plan is administered by OTIP, a not-for-profit organization dedicated to Ontario education workers, created and governed by OSSTF and Ontario's three other education affiliates.
