### MEMORANDUM

**To:** All Teachers' Bargaining Unit Members  
**From:** Steve Newstead, District and Teachers' Bargaining Unit President  
**Date:** 5/4/2009  
**Re:** Secondary Job Postings

---

Dear Member,

Please be aware that effective **June 30, 2009** all Internal Secondary Contract and Secondary Extended Occasional job postings will no longer appear on the Board's website located at [www.limestone.on.ca](http://www.limestone.on.ca).

For Secondary Contract Teachers, all postings will be posted to a new FirstClass conference which will be located on your FirstClass desktop called 'Secondary Job Postings'.

For Secondary Occasional Teachers, all job postings will be posted to the Secondary OT Conference which is located on your FirstClass desktop.

Please begin using these conferences to become familiar with them.

There will be a transition period for the months of May and June 2009 to allow members to familiarize themselves with the new job posting process. During this period, job postings will be available on FirstClass, online at [www.limestone.on.ca](http://www.limestone.on.ca) and in worksites.
